Thank you to all who participated, looks like we had a great time.

Comments:

Thanks for another fun contest. With our small participation rate I liked the 45 minutes duration and thought it was just right.

Sure was a nice surprise to work a couple of US stations.

Great to see both Michael VK2CCW and Steve VK7CW making contacts with US stations during the contest.

Another fun contest despite the poor condx. I worked everyone I could hear except Tony VK3TP who vanished.
